

## Shoo Fly!

*Shoo! Shoo fly! Shoo! Shoo fly!* Shoo! *Shoo! Shoo fly!*  
*Shoo! Shoo fly! Shoo! Shoo fly!* Shoo fly, don't bother me,  
shoo!

Shoo fly, don't bother me. Shoo fly, don't bother me.  
Shoo fly, don't bother me, 'cause i belong to somebody.

Shoo fly, don't bother, shoo fly, don't bother me,  
Shoo fly, don't bother, I belong to somebody.

Don't bother me, shoo fly. Shoo fly, don't bother me.  
Don't bother me, shoo fly, 'cause i belong to somebody.  
Yes, to somebody.

I feel, i feel, i feel, i feel like a morning star.  
I feel, i feel, i feel like a morning star.  
I feel, i feel, i feel, i feel like a morning star.  
I feel, i feel, I feel like a morning star.

(Spoken)

Shoo fly, shoo fly! Shoo fly, don't bother me.  
Shoo fly, shoo fly! Shoo fly, don't bother me.  
Shoo fly, shoo fly! Shoo fly, don't bother me.  
Shoo fly, shoo fly!

Shoo fly, don't bother, shoo fly, don't bother me.  
Shoo fly, don't bother, i belong to somebody.  
Don't bother me, shoo fly. Don't bother me, shoo fly.  
Don't bother me, shoo fly, 'cause I belong to somebody.

Shoo fly, don't bother me, 'cause I belong to somebody.  
Shoo, shoo fly. Shoo!

## The Lighthouse

Let me be a light. Let me show the way.  
Let me be a beacon for those who've gone astray.  
Let me be a guide in the dark of night.  
Let me be a tower. Let me be a light.

The water may be rocky, the journey may be long. The  
waves are rough upon a stormy sea.  
But i will send a signal, a message to be strong, so all  
the lost can look to me.

Let me be a fire burning clear and bright.  
Let me be a beacon. Let me be a light.  
Let me be a light.  
Let me be a light.

## I Will Sing

Listen all around you, listen to the wind and sky.  
Listen in the forest, listen as the clouds go by.  
I think I hear a song. And when I hear sweet music, I  
have to sing a long.

Oh, I will sing with the rising sun. At the dawn of  
morning, I will sing.  
Oh, I will sing when the day is done. When the stars are  
shining, I will sing.

Listen in the winter, listen to the falling snow.  
Listen in the summer, listen as the breezes blow.  
When they scatter on the ground, or sparrows, in the  
springtime, make a joyful sound;

Oh, I will sing with the rising sun. At the dawn of  
morning, i will sing.  
And I will sing when the day is done.  
When the stars are shining, I will sing. I will sing.  
And if you listen closely, there's music that's inside,  
inside.

Oh, I will sing with the rising sun. At the dawn of  
morning, i will sing.  
And I will sing when the day is done.  
When the stars are shining, I will sing. I will sing. I will  
sing.

### **In the Arms of an Oak**

Climbing high to the sky, growing ever closer by and by.  
There's no place that I would rather be than the arms of  
an old oak tree.

There I laugh, there I play, there I'm happy just to spend  
a day. Always safe beneath the canopy, in the arms of  
an old oak tree.

So calm and steady, so steady, so sure and, sure and  
strong. You're always ready, you're ready when storm  
clouds come along.

Winter, spring, summer, fall, colors change, but still  
you're standing tall.  
Roots are greater than the limbs we see in the arms of  
an old oak tree.

So calm and steady, so steady, so sure and, sure and  
strong. You're always ready, you're ready when storm  
clouds come along.

And if there should come a day when your strength  
begins to fade away,  
I'll be there, just like you were for me, my old oak tree.  
I have arms just like your arms, mighty arms like an old  
oak tree!

### **Ribbons in the Sky**

After rain, after thunder, at the calming of the storm,  
When the sun returns, shining brightly, colored ribbons  
start to form.

After the rain is done, look for a rainbow in the sun.  
After the storm completely passes by, look for a rainbow,  
ribbons in the sky.

Look for red, look for orange, look for yellow, green, and  
blue. Look for indigo, look for violet, ev'ry color, ev'ry  
hue.

After the rain is done, look for a rainbow in the sun.  
After the storm completely passes by, look for a rainbow,  
ribbons in the sky, ribbons in the sky.

Look for a rainbow, ribbons in the sky.

### **Riversong**

River rushing down the mountainside, river racing with  
the breeze, lead me through the forest and the trees.  
River rolling on a rocky bed, river running 'round the  
bend, take me to a quiet journey's end.

River, run me to the ocean. River, take me to the sea.  
River, show me to a distant shore. River, run! Set my  
spirit free.

River roaring through a craggy glen, river rushing to the  
tide, you will be my refuge and my guide.  
River river, grant the will and courage to be strong.

River, run me to the ocean. River, take me to the sea.  
River, show me to a distant shore. River, run! Set my  
spirit free.

Even in the darkness, even in the night, lead me through  
the shadows, to the morning light!

River, run me to the ocean. River, take me to the sea.  
River, show me to a distant shore. River, run! River, run!  
River, run!  
River rushing down the mountainside.  
River rushing down the mountainside.  
Free.
