For the 2021-2022 School Year:

Uniform tops will be required. This includes navy, powder blue, white, or maroon polo or button-down shirts (no t-shirts). No exceptions.

Uniform bottoms include black, khaki, or navy pants, shorts, or skirts. For this year only, students may also wear jeans, solid color leggings, or solid color joggers.

Our intent with the additional options for bottoms is to allow for a gradual transition back to uniforms to help offset back to school costs for our families.

We will have a return to full uniforms in the 2022-23 school year.
